JESS WILLARD IS GIVEN CHANCE TO WIN CHAMPIONSHIP

Rickard Doesn't Announce Terms But Admits That Archer Has Signed.

NEW YORK, Sept. 29.—Terms of the contract sent Wednesday to Jess Willard for a return bout with Jack Dempsey for the world's heavyweight boxing championship have not been revealed by Tex Rickard promoter. He said Thursday, however, that the provisions already had been accepted by Ray Archer, Willard's manager. The contract provides for a bout to be held in the United States, Canada or Mexico. The number of rounds is not specified.

The prospective battle ground is generally believed to be the pine bowl in Jersey City where the Dempsey-Carpenter contest was held. Rickard has arranged for an extension of his lease on the Jersey City plot which would give him possession of the arena until October, 1922. Dempsey has not yet signed the contract, but it is understood Jack Kearns, his manager, declared Dempsey would be willing to engage in such a bout.

Plymouth High Schedule Announced by Stallings

Coach Stallings announced the schedule for the Plymouth High school basket ball team Wednesday.

The first date is Nov. 4 with Bremen to be played there. It includes games with Lutersford, Laporte, Argos, Eliza Greene, Culver, Akron, Syracuse, Bourne, Warsaw, Pierce and Atwood.

The basket ball squad will be chosen within a few days which will consist of about 15 men and the team of 8 men will be chosen later after basket ball practice is entered into. Organized rosters for the local team will be led by Vell Leader, David Gibson and his assistant, Robert Brown.

"Red" Faber of the White Sox is a pitching ace in a seventh place club.

"Hurry Up" Won't Predict and Assumes "Just You Wait" Attitude to All.

ANN ARBOR, Sept. 29.—With his usual reluctance to make any prediction concerning the chances of Michigan in the Big Ten running this fall, Fielding H. Yost settled back in his chair in a "just you wait" attitude. Meanwhile the cleats were being fastened more firmly to the shoes of 44 prospective squadrons who showed signs of developing into team material at the spring practice.

There seems to be much opinion among critics that this is the second year of rebuilding for the Maize and Blue eleven after admittedly disastrous season of 1919. To these Michigan's team holds only the promise of being a minor factor in the championship running. Others are of the opinion that the Wolverines stack up favorably against the two last champions, Illinois and Ohio, and predict the Michigan eleven will give any contender a "run for the money."

Ten men of the 1920 squad are scheduled to return this fall, and material from last year's freshman team seem unusually good. In "Duke" Dunne the Wolverines have as capable a captain as ever wore the blue sweater. Bank, the late find of last year, is expected to develop into an exceptional pilot.

The line this year will be slightly heavier than last, but will contain many of the old men Dunne, Vick, Wilson, Van Orden and Goebel. Just who is slated for the end positions is a question. There are a number who have signified their intention of trying to land a berth there, and with Goebel and Cappon, last year's ends, and Kirk, formerly of Notre Dame, in the lists, there should be little difficulty in finding two who will fill the places with the best results. The backfield is somewhat of a puzzle. Steketee and Usher are the two letter men to return. The former was all-American fullback in 1918 and a great punter. Usher last year showed promise of developing into a star. Kipke, Roby, Dunphy, Pease and Landowsky will contend for a position in the backfield. All show good form.

The first game is with Mount college at Ann Arbor Oct. 1. The two big games of the season are to be played with Ohio State Oct. 22, at which the new stadium will be opened, and with Minneapolis on Nov. 19.

GOSHEN HIGH WINS GAME WITH ALUMNI

Loyal Fans Fill Stands as Former School Boys Are Beaten by Score of 16-14.

BY JOHN LICKLEY.

The Goshen High school football eleven defeated the Alumni of that city by a score of 16 to 14 on the Roger park gridiron in that city, yesterday afternoon at 4 o'clock. The stands were packed to capacity and the whole city proved to be behind the newly organized eleven which is out to win back the laurels gained by the grid teams of former years but lost due to a six year slump in athletics.

The Alumni had a well drilled and exceptionally strong eleven and waged a bitter battle all the way through the fracas. Frank Faust, former quarterback of Indiana university played the pivot position but was knocked out shortly after the second half started. Capt. Joe Stutz played quarter of the game. Steve Snitz, Snoke, and Miller did the starring for the Alumni.

Coach Abbott has a well balanced eleven this year and prospects for an undefeated season loom up big.

The Alumni were beaten to submission for the final count only by the combined efforts of Bectol, Berkey, Wyson, and Forney. The feature of the fracas was a forward pass from Bectol to Forney on the Alumni 50 yard line resulting in a touchdown. The ability of Berkey and Joe Wyson to hit the line for large gains was also a feature. Snoke played the pivot job, Danny Bectol having been placed on the sick list.

The line formation during the game was almost perfect and showed much ability to tear large holes in the enemy line.

The next game will be played with Elkhart on Oct. 12 and a hard battle is expected. Athletic Director James Snodgrass has two open dates on the schedule and would like to communicate with any 160 pound high school eleven desiring a game.
